ILGA confirmed 75,000 Swiss Francs of its resources to RIWI for the 2018 data collection efforts by RIWI for the annual "ILGA-RIWI Minorities Report". RIWI has begun work on this expanded initiative.*

*RIWI's data collection in 54 countries on behalf of the Israeli Ministry of Foreign Affairs was presented by Benjamin Netanyahu, the Prime Minister of Israel, to international media at an official Cabinet Meeting held by the Prime Minister. RIWI continues to conduct direct sales and marketing to government and non-governmental agencies around the world interested in learning about RIWI's work in countering violent extremism and message testing.*

*As disclosed in our Management Discussion and Analysis for the quarterly fiscal period ended September 30, 2017, for a government client, RIWI signed an agreement valued at \$125,000 on November 23, 2017, for a project to be completed by March 31, 2018. RIWI began working on the first agreement in November 2017 and expects to complete the project within the first six months of 2018. We expect that the client will exercise its option to extend the agreement for an additional \$125,000 in 2018, for a total size of \$250,000. RIWI expects that this government client will sign a new agreement in Summer 2018 for a longer period of performance and a larger contract size.*

*In November 2017, the US Department of State ("DoS") issued RIWI a fully-compliant Contractor Performance Assessment Report ("CPAR") in respect of completed work thus far by RIWI for DoS, recommending RIWI for future, similar audience message testing for all other US government agencies considering engaging RIWI as a vendor for audience messaging work.
