

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: RIWI Corp. (the "Issuer").

Trading Symbol: RIW

Number of Outstanding Listed Securities: 17,261,647

Date: March 6, 2018

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

- a) In its Global Finance division, RIWI was awarded a second contract for a top-20 international bank (as measured by assets under measurement) to provide new services in the amount of US \$238,000. Under this three-year renewable Long-Term Agreement ("LTA"), RIWI has signed over US \$100,000 per month with the client since Fall 2017. Work on the new contract has begun. RIWI earns recurring revenue with the bank under a three-year LTA signed in August 2017. The bank releases the white-labelled RIWI data in reports to its institutional investors and to its equities analysts on a regular basis, and to the international media.
- b) In its Global Citizen Engagement division, RIWI won a contract with the United Nations World Food Programme to monitor the economic and social conditions of people in six Middle East and Northern African countries. This initial contract represents wave one of a multi-wave project. Work is expected to begin in March 2018. The client enjoys the right to renew this contract for the same or different countries under the terms of a Long-Term Agreement signed in December 2017 for RIWI data collection in up to 72 countries.
- c) Cross Marketing Inc. (TYO: 3675) of Tokyo announced in a News Release, widely reported in Asian media, that its sales and marketing force will be selling RIWI's "China Pulse" product to its customers wishing to track sales trends, economic trends, and consumers' purchase trends in China. The "China Pulse" product offers clients the capacity to track monthly consumer purchasing trends across China, targeting consumers in all major cities and in rural areas.
- d) One of the largest car manufacturers in the world has committed to being one of the first customers for the China Pulse in order for the client to collect sales forecasting data across China. Work is expected to begin on this contract in March 2018. The client enjoys the right to renew the contract on an on-going basis.
- e) In its Global Citizen Engagement division, RIWI signed a contract of US \$80,000 for a UK-based branding and ad-testing firm for data collection inside Iraq. Work on this first contract has begun. The client has signed an agreement offering it the right to renew the contract for the same or a larger amount.
- f) RIWI continues to plan and deploy new audience messaging and digital ad tests in regions of interest for the US State Department under its 5-year Long-Term Agreement, earning RIWI revenues of US \$250,000 per year. RIWI completed a commissioned report on best practices in digital engagement in all regions of the world that has been shared with senior leadership at the US State Department.

- g) RIWI completed work for contracts: (i) on behalf of the UK-based Institute for Strategic Dialogue; (ii) for a major national political party of a G7 nation; (iii) for a branch of the US-based National Endowment for Democracy; (iv) for the World Bank; (v) for Omidyar Network; (vi) for an organization conducting data collection in Myanmar; (vii) for Humanity United; and (viii) for the first of several planned contracts on behalf of a G7 government agency. RIWI completed and invoiced for a 12-month usage and attitudes tracker for an Asia-based medical technology firm. These clients retain the right to renew similar or expanded data collection initiatives in 2018 and beyond. RIWI also completed a contract on behalf of an Executive-level agency of a G7 country.
- h) RIWI has completed technical work for a US-based financial consulting client to collect population health management data in Asia. The client enjoys the right to renew similar or expanded data collection initiatives in 2018 and beyond.
- i) On behalf of RIWI's client, Freedom House, under the Human Rights Support Mechanism ("HRSM") to support the needs of the United States Agency for International Development, RIWI completed the technical work for the first project of this year. Under the HRSM, Freedom House retains the right to engage RIWI for ongoing data collection projects around the world on a rapid-response basis.

2. Provide a general overview and discussion of the activities of management.

- a) For government and corporate clients requiring global online corporate threat assessments, RIWI is offering joint technology solutions, in conjunction with New York and Washington, D.C.-based cyber-law firm, The Blackstone Law Group LLP ("Blackstone"). Blackstone and RIWI management have made joint sales presentations to potential clients for these technology solutions in the risk, financial and corporate sectors. RIWI's Chief Executive Officer was appointed Senior Advisor in online counter-marketing to Blackstone on February 28, 2018.
- b) RIWI management continues to present findings to senior leadership at agencies of the US government for recurring sales and business development purposes.
- c) RIWI management has been preparing responses to competitive tenders and to sole-source requests from clients for recurring contracts under long-term agreements.
- d) Since we are experiencing a steep rise in the volume of single- and multi-country contracts, RIWI's back-end Big Data analytics platform has been re-structured to maximize margins and deployment speeds for both types of contracts.

- e) Further to client, academic and third-party endorsements described below, RIWI management has been active in content-based marketing for repeat sales:
- i. RIWI trending and audience reaction data on the 2017 flu affecting the United States were presented in a joint presentation by the US Centers for Disease Control and International SOS to Fortune 500 Executives;
 - ii. RIWI's market-sizing data relating to the impact of the planned legalization of recreational cannabis across Canada in Summer 2018, prepared in conjunction with Deloitte LLP, continues to receive regular citations by financial media and by financial market participants around the world;
 - iii. RIWI's client Egta, the European trade association ("Trade Association") for marketers of advertising solutions, released RIWI-generated data from 50 countries. The results measure consumer engagement with television as compared to other media on emotional response, social sharing and effectiveness. These data were reported in major Italian media, such as *Pubblicità Italia*, *Millecanali*, and *La mescoLanza*, and in a News Release by the Trade Association on February 28, 2018;
 - iv. *Marketing News*, the official publication of the American Marketing Association, released recommendations by Westat, a US-based consultancy, on how to best conduct online dialogues on controversial topics, citing RIWI data in online counter-marketing technology solutions;
 - v. Burberry Group PLC, the UK-based fashion wear company, publicly announced in a Press Release of February 12, 2018, that it was committed to marketing and funding support for global data collection initiatives undertaken annually by RIWI and its client, ILGA;
 - vi. On February 9, 2018, as part of an economic research series published by *The International News Lens*, based in Taiwan and Hong Kong, RIWI data were analyzed to explain why certain countries in Asia perform less well on key economic indicators as compared to non-Asian countries;
 - vii. RIWI data from over 75,000 people from 50 countries on changing preferences for natural remedies vs. prescription drugs were published in the peer-reviewed *Journal of Psychiatry and Brain Science*; and,
 - viii. White-labeled RIWI data analyzed in reports by one of our finance clients now appear in leading international finance media that the client shares with different buyer groups across its different country offices around the world.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

- a) The new technology solutions referred to in Section 2(a) relate to new tools for online counter-marketing to remove false or threatening information from the Web that may be harming the brand of government agencies, people or corporations. These technology solutions are capable of identifying active online frauds and cyber vulnerabilities, such as online espionage and potential data breaches that can threaten a firm's global reputation and customer trust.
- b) RIWI is selling new capabilities that enable clients to compare RIWI perceptions data to social media listening data and to other data streams (e.g., MMS/SMS).
- c) Following a competitive application process, RIWI's Global Citizen Engagement team was invited to present its capabilities in May 2018 in Toronto to potential and existing RIWI clients at Rightscon, the world's largest digital rights conference.
- d) RIWI is offering ongoing survey data for North American resource companies seeking to assess local support for the activities of the extractives industry in South America, Latin America and across Africa.
