

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: RIWI Corp. (the "Issuer").

Trading Symbol: RIW

Number of Outstanding Listed Securities: 17,277,282

Date: June 7, 2018

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

- a) In its Global Finance division:
 - i. RIWI continues to start new survey data collection projects in China for existing clients under long-term agreements ("LTAs") in the finance and risk sectors. RIWI also presents proprietary data from China for sales purposes.
 - ii. Analysts in different divisions at RIWI's client, a top-10 international bank as measured by assets under management, now issue regular stock predictions and written reports and hold analyst calls based on proprietary RIWI data for the bank's institutional clients across the world.

- b) In its Risk and Security division:
 - i. RIWI's client, a G-7 government agency, is working with RIWI to define the work steps in a multi-year engagement. RIWI's work is to begin this Summer.
 - ii. RIWI continues to conduct audience message research in regions of interest for the US State Department under its five-year LTA. The client's fiscal year ends on September 30, 2018; therefore, RIWI will recognize at least US \$250,000 prior to September 30, 2018. RIWI is now planning work for this client under its 2019 budget of US \$250,000, some of which will be completed before December 31, 2018 and recognized within 2018.

- c) In its Global Citizen Engagement division:
 - i. RIWI continues to collect data on behalf of an increasing number of long-term clients, including consultancies and University-based clients, with a goal of tracking behaviour and activities in conflict-affected regions of the world.
 - ii. The British Council, a public corporation sponsored by the UK Foreign and Commonwealth Office, has confirmed its financial support for ongoing work with our client, UK-based International Alert, for data collection in 16 geographies. Work on this LTA with International Alert has begun. The intent of the client is to expand and obtain additional funding for the project in order to deploy RIWI technology in 100 countries and to run the index annually.
 - iii. RIWI served as the official insights provider to RightsCon 2018, the largest digital human rights conference in the world, presenting RIWI data to potential customers on perceptions of access, safety and trust in countries around the world. RIWI is actively selling this data stream to new clients.

- d) In its Global Consumer division:
 - i. RIWI signed a new contract with a client to understand trends in different countries regarding consumers' perceptions of the impacts of cannabis policies. Work under this long-term renewable agreement has begun.
 - ii. RIWI is responding to requests to prepare China- and all-Asia data collection initiatives on behalf of a diverse number of clients.
 - iii. For its consumer-focused data feeds, RIWI was named one of the Top 50 most innovative data companies for the sixth year in a row by Greenbook.

2. Provide a general overview and discussion of the activities of management.

- a) RIWI management continues to present findings to senior leadership at agencies of G-7 governments for recurring sales and business development purposes.
- b) RIWI's finance team is increasingly engaged in invited sales presentations and bid proposals for pension funds, banks, private equity firms and hedge funds.
- c) RIWI management has been active in content-based marketing to accelerate sales:
 - i. RIWI technologies continue to receive favourable technical reviews for quality and data privacy in academic publications, most recently, in a May 2018 publication of the journal *Government and Opposition* (Cambridge University Press) and in the May/June 2018 edition of *Research World*, the official journal of the European Society for Opinion and Marketing Research. A positive technical review of RIWI technology, comparing RIWI to other online data collection technologies, written by the research lead of a global Japan-based automotive firm, was accepted for publication by *Science & Technology*, a peer-reviewed Japanese publication series.
 - ii. RIWI now prepares reports on China-focused topics for sales prospects in the global finance sector. In May, RIWI published a new study on Chinese Millennials' changing spending and savings habits.
 - iii. RIWI staff continues to provide high-profile talks for sales and marketing purposes. In May, RIWI's Global Head of Citizen Engagement, Eric Meerkamper, was invited by the World Bank Governance Global Practice to speak at a conference in June in Washington, DC and on May 2, a RIWI data specialist presented on RIWI technologies at Harvard University.
 - iv. RIWI technologies continue to be profiled in major media around the world. In May, media references to RIWI included articles in *The Toronto Star*, *Radio Canada International* and *Walla! Communications Ltd.*, an Israeli media and Internet company headquartered in Tel Aviv. Various financial media in May referenced how financial analysts leverage RIWI continuous survey data to make stock buy, hold or sell recommendations to clients. Financial media articles focused on RIWI's smartphone usage and growth data on behalf of a bank client, which led to media reports in *Benzinga* and *StreetInsider* describing how RIWI data led to buy recommendations on Apple Inc. stock (NASDAQ: AAPL) due to what RIWI showed to be strong loyalty from existing Apple customers and new opportunities for Apple's global growth.
