

Data Analyst at RIWI Corp.

RIWI is a global trend-tracking and prediction technology firm. RIWI's award-winning business and technology collects real-time, unique, and highly accurate global data across a range of areas especially business, economics, technology, and socially sensitive issues. RIWI offers global surveys, predictive analytics, message testing and risk monitoring anywhere in the world for the finance, security, consumer goods and humanitarian aid sectors. See www.riwi.com.

Responsibilities:

In this role you will support the team in analyzing, visualizing and communicating data from surveys, and in developing research products.

Required skills:

- Data organization and analysis skills
- Experience with data processing and data analysis software (eg. SPSS, SAS, R)
- Demonstrable ability to deliver timely, high quality work and communicate clearly in writing and verbally with colleagues and clients
- Ability to research and combine data from multiple sources
- Critical thinking skills and ability to quickly identify and resolve data issues
- Ability to communicate in visuals (charts/maps/visualizations)
- Proficiency in Excel, Word, PowerPoint
- Self-motivated and able to work on multiple projects simultaneously
- Ability to work independently and also work in a highly collaborative environment

Desired characteristics (optional):

- Familiarity with HTML, CSS, JavaScript and Python
- Familiarity with GIS software (ArcGIS)
- Interest in areas of focus for RIWI, such as those at <https://riwi.com/case-studies/>
- Attention to detail, ability to see the big picture, and ability to think out of the box
- Constant learner
- Post-secondary degree in mathematics, statistics, computer science, economics, finance/commerce or related field
- Ideally, one year of economics/finance work experience

Please apply with CV and cover letter to inquiry@riwi.com with subject heading "Data Analyst role". Applicants for this role will be considered in September/October 2018. We expect the successful candidate to begin in November 2018 at RIWI Corp.'s Toronto office.

RIWI is an equal opportunity employer.
