Letter to our Shareholders

By Neil Seeman, Founder and Chief Executive Officer

Stay different to win. In last year's annual letter to shareholders, I conveyed our commitment to "being different" – a salute to old-school business values of profit, cost constraint, and an unwavering commitment to customer delivery excellence.

RIWI is a global trend-tracking and prediction technology firm – yet we did not predict the era of COVID-19. Health systems and economies in all regions of the world are under distress. Our Company was conceived during a pandemic, H1N1. Prior to our commercialization, I worked out of a University dorm room to deploy what were then algorithms, not yet patented, of how to collect reliable and continuous evidence showing which areas of the world were protecting themselves best against H1N1 by practising proper hygiene and following emergency preparedness protocols. Our biggest champions were infectious disease and public health security experts from around the world who learned about our research from academic journals.

Epidemiologists taught me in 2011 that we had discovered a new beacon to predict and monitor abrupt change.

Thanks to hard work, RIWI won a new six-month contract valued at more than \$1 million for data collection in 16 countries to better understand the course of the COVID-19 contagion, and to assess who needs to get tested and treated. We were tasked to start work immediately. Our client enjoys the right to expand this work to all countries affected by COVID-19.

RIWI has passed market tests of resilience and client service excellence.

We have secured more than US \$2.5 million in recurring revenue business so far this year. With recurring revenue comes increased profit, new sales, increased durability – and a clearer path to our goal of US \$30 million in revenues for 2024. Our recurring revenue flows from long-term global customers that demand excellence and dependable data solutions in times of uncertainty and prosperity. Our customers include world-class organizations such as the US Department of State, G7 agencies mandated to keep the world safe, BofA securities, the UN World Food Programme, Harvard University, the US Agency for International Aid and Development, and one central bank.

RIWI prides itself in delivering the markers of foundational value: growth, profitability, and cash in the bank.

In 2019, RIWI's strategy proved successful in delivering us two consecutive years of profitability, a second year of double-digit revenue growth (17%), positive earnings-per-share growth in 2019 (\$0.05 compared to \$0.02), net income growth (118%) and working capital growth (60%). We increased our cash from operations by 264% to ensure a vibrant business. Commitment to our continued efforts to increase the value of our company offers a return on equity ("ROE") – without any debt – that steadily increases cash on hand. Cash enables us to invest in sales activity and sales-focused marketing in order to build recurring revenues, and to boost innovation to serve our current and future clients. RIWI's ROE for 2019 was 17%. RIWI ended 2019 with over US \$3.04 million in cash, compared to US \$1.75 million in 2018.

How is a small Canadian company able to thrive while tackling some of the most challenging data problems in the world?

We stay different to win. Every day we exercise a dogged commitment to a belief in what we know to be true and we are now showing the world. First, that RIWI global sentiment data are of vastly higher quality and privacy compliance than legacy systems of collecting opinion data. Second, that the purpose of a data business is to maximize profit.

The COVID-19 pandemic is a reminder of what matters in business, and in life.

Subject to public health officials' guidelines regarding physical distancing measures in Ontario, please accept my invitation to attend the Annual General and Special Meeting of the shareholders of RIWI Corp., to be held on Wednesday April 29, 2020 at 11:00 a.m. (Toronto time) at the offices of Stikeman Elliott LLP, located at Commerce Court West, 199 Bay Street, Suite 5300, Toronto, Ontario, M5L 1B9. *Our Meeting shall accommodate the appropriate physical distancing guidelines required of workplaces in Ontario on the date of the Meeting.*

Thank you to our team and to the shareholders around the world who discovered what we do - and why we do it.

Very respectfully,

"Neil Seeman" (signed) _____

Founder and Chief Executive Officer

Audit Fees include fees for review of tax provisions and for accounting consultations on matters reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.
- (2) "Audit-Related Fees" include services that are traditionally performed by the auditor. These audit-related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.

The Audit Committee has adopted procedures requiring the Audit Committee to review and approve in advance all particular engagements for services provided by the Company's independent auditor. In certain circumstances, the Chair of the Audit Committee may pre-approve the services to be provided and this will then be raised at the next meeting of the Audit Committee for ratification. All of the engagements and fees for the year ended December 31, 2019 were pre-approved or ratified by the Audit Committee. The Audit Committee reviews with its auditor whether the non-audit services to be provided are compatible with maintaining the auditor's independence.

4. Re-approval of the Stock Option Plan

The Shareholders will be asked to re-approve the Company's rolling stock option plan (the "Plan") substantially in the same form as the Plan approved by the Shareholders on May 15, 2019. The Option Plan provides that incentive stock options (the "Options") will be granted pursuant to option agreements to directors, officers, employees or consultants of the Company or an associate (as such term is defined in the *Securities Act (Ontario)*) of the Company. The Option Plan is administered by the directors of the Company with recommendations from the HRCC. In the past, the Company has relied upon the grant of Options to align management's interest with shareholder value. Grant ranges have been established independently each time grants of Options have been made to provide competitive long-term incentive value, with significant recognition of contribution and potential of the individual. See "Statement of Executive Compensation – Compensation Discussion and Analysis" below.

INFORMATION ABOUT PROXIES

Solicitation of Proxies

The solicitation for proxies by management of the Company will be made primarily by mail but solicitation may be made by telephone or in person with the cost of such solicitation to be borne by the Company. **While no arrangements have been made to date, the Company may contract intermediaries for the solicitation of proxies for the Meeting. Such arrangements would include customary fees which would be borne by the Company.**

Appointment of Proxyholder

The persons named in the enclosed form of proxy for the Meeting are officers of the Company and nominees of management. **A registered shareholder has the right to appoint some other person or company, who need not be a shareholder, to represent such registered shareholder at the Meeting by striking out the names of the persons designated in the accompanying form of proxy and by inserting the name of that other person or company in the blank space provided.** If a registered shareholder appoints one of the persons designated in the accompanying form of proxy as a nominee and does not direct the said nominee to vote either "For", "Against" or "Withhold", as applicable, from voting on a matter or matters with respect to which an opportunity to specify how the Shares registered in the name of such registered shareholder shall be voted, the proxy shall be voted "For" such matter or matters.

The instrument appointing a proxyholder must be in writing and signed by the registered shareholder, or such registered shareholder's attorney authorized in writing, or if the registered shareholder is a corporation, by the authorized representative or a duly authorized person on behalf, of such corporation. An undated but executed proxy will be deemed to be dated the date of the mailing of the proxy. In order for a proxy to be valid, a registered shareholder must:

- (a) sign and print his or her name on the lines specified for such purpose at the bottom of the form of proxy; and
- (b) return the properly executed and completed form of proxy:
 - (i) by mailing it or delivering it by hand in the appropriate enclosed return envelope addressed to Computershare Investor Services Inc. ("**Computershare**"); or
 - (ii) by faxing it to Computershare at 1-866-249-7775 (within North America) or 416-263-9524 (outside of North America),

to be received by 11:00 a.m. (Toronto time) on April 27, 2020, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment(s) of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Revocation of Proxy

A registered shareholder may revoke a proxy by delivering a signed instrument in writing executed by such registered shareholder or by the registered shareholder's attorney authorized in writing or, where the registered shareholder is a corporation, by a duly authorized officer or attorney of such corporation, either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner permitted by law.

Voting of Proxies

A registered shareholder may direct the manner in which his or her Shares are to be voted or withheld from voting in accordance with the instructions of the registered shareholder by marking the form of proxy accordingly. The management nominees designated in the enclosed form of proxy will vote the Shares represented by proxy in accordance with the instructions of the registered shareholder on any resolution that may be called for and if the registered shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. **Where no choice is specified with respect to any resolution or in the absence of certain instructions, the Shares represented by a proxy given to management will be voted "For" the resolution. If more than one direction is made with respect to any resolution, such Shares will similarly be voted "For" the resolution.**

Exercise of Discretion by Proxyholders

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying *Notice of Meeting*, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting. If any amendment or variation or other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their judgement on such amendment, variation or matter.

VOTING BY BENEFICIAL SHAREHOLDERS

The information set out in this section is important to many shareholders as a substantial number of shareholders do not hold their Shares in their own name.

Persons who hold Shares through their brokers, agents, trustees or other intermediaries (such as shareholders, “**Beneficial Shareholders**”) should note that only proxies deposited by registered shareholders whose names appear on the share register of the Company may be recognized and acted upon at the Meeting. If Shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Company. Such Shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such Shares will be registered in the name of “CDS & Co.”, the registration name of CDS Clearing and Depository Services Inc., and in the United States, the vast majority will be registered in the name of “Cede & Co.”, the registration name of the Depository Trust Company, which entities act as nominees for many brokerage firms. Shares held by brokers, agents, trustees or other intermediaries can only be voted by those brokers, agents, trustees or other intermediaries in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review the request for voting instructions (“**VIF**”) provided with this Information Circular and ensure they communicate how they would like their Shares voted in accordance with those instructions.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”. In accordance with the requirements of National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators (the “**CSA**”), the Company has elected to send the Notice of Meeting, the form of proxy and VIF (collectively, the “**Meeting Materials**”) directly to NOBOs.

Generally, a Beneficial Shareholder who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the intermediary (typically by a facsimile with a stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Shareholder and must be completed, but not signed, by the Beneficial Shareholder and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a VIF which is not signed by the intermediary and which, when properly completed and signed by the Beneficial Shareholder and returned to the intermediary or its service corporation, will constitute voting instructions which the intermediary must follow.

VIFs should be completed and returned in accordance with the specific instructions noted. The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Shares which they beneficially own.

Beneficial Shareholders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Shares registered in the name of their broker, agent, trustee or other intermediary, a Beneficial Shareholder may attend the Meeting as a proxyholder for a registered shareholder and vote Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting or have someone else attend on their behalf, and indirectly vote their Shares as proxyholder for the registered shareholder should contact their broker, agent, trustee or other intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Shares as a proxyholder.

If you are a Beneficial Shareholder, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

SECURITIES ENTITLED TO VOTE

As of March 25, 2020, the authorized share capital of the Company is divided into an unlimited number of Shares, of which 17,934,428 Shares are issued and outstanding. Every shareholder who is entitled to vote at the Meeting shall have one vote on a show of hands and on a poll shall have one vote for each Share of which the shareholder is the registered holder, and such shareholder may exercise such vote either in person or by proxy.

The Board of Directors of the Company has fixed the close of business on March 25, 2020 as the record date for the purpose of determining the shareholders entitled to receive notice of the Meeting, but the failure of any shareholder to receive notice of the Meeting does not deprive such shareholder of the entitlement to vote at the Meeting. Every shareholder of record at the close of business on March 25, 2020 who personally attends the Meeting will be entitled to vote at the Meeting or any adjournment thereof, except to the extent that:

- (a) such shareholder has transferred the ownership of any of his or her Shares after March 25, 2020; and
- (b) the transferee of those Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Shares, and demands, not later than 10 days before the Meeting, that his or her name be included in the list of shareholders entitled to vote at the Meeting, in which case the transferee is entitled to vote those Shares at the Meeting.

QUORUM

Under the By-laws of the Company, the quorum for the transaction of business at a meeting of shareholders is one or more individuals present at the commencement of the meeting holding, or representing by proxy the holder or holders of, shares carrying in the aggregate not less than ten percent of the votes eligible to be cast at the meeting.

No business, other than the adjournment of the meeting, may be transacted at any meeting of shareholders unless a quorum of shareholders entitled to vote is present at the commencement of the meeting, but such quorum need not be present throughout the meeting.

CORPORATE GOVERNANCE

The Company's Board of Directors and executive officers consider good corporate governance to be an important factor in the efficient and effective operation of the Company. The Board of Directors is of the view that the Company's system of corporate governance meets or exceeds the majority of guidelines and requirements contained in National Policy 58-201 – *Corporate Governance Guidelines* ("**NP 58-201**") and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**") of the CSA.

Board of Directors

The Board of Directors is currently composed of eight directors: Neil Seeman, Robert Pirooz, Bob Seeman, Annette Cusworth, Donald Shumka, Kevin Mahoney, Richard Perle and Kenneth Adelman. Mr. Bob Seeman has informed the Company that he will not stand for re-election at the Meeting, and shall serve as a consultant to the Company after the Meeting. All the seven proposed nominees are current directors of the Company.

NP 58-201 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as "independent" directors. An "independent" director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. Of the seven proposed nominees for directors of the Company, six (Robert Pirooz, Annette Cusworth, Donald Shumka, Kevin Mahoney, Richard Perle and Kenneth Adelman) are considered by the Board of Directors to be "independent" within the meaning of NI 58-101 and one nominee (Neil Seeman) is considered to be "non-independent". Neil Seeman is a member of the Company's management and is not independent as he serves as President and Chief Executive Officer of the Company.

The independent members of the Board meet without the presence of the non-independent directors and management, known as “in-camera” meetings, before or after every regularly scheduled meeting and at such other times as they deem appropriate. In 2019, the independent directors held four *in-camera* meetings. These *in-camera* meetings are led by the lead director, Mr. Mahoney.

The Board of Directors is responsible for determining the compensation paid to the directors. The directors establish compensation based on a review of the compensation paid to directors of similar stage entities.

Position Descriptions

The Company does not currently have written position descriptions for its directors. At present, the Board of Directors has delegated the day-to-day management of the business and affairs of the Company to the executive officers of the Company. Generally, operations in the ordinary course or that are not in the ordinary course and do not exceed material levels of expenditures or commitment on the part of the Company have been delegated to management. Decisions relating to matters that are not in the ordinary course and that involve material expenditures or commitments on the part of the Company require prior approval of the Board of Directors. Any responsibility which is not delegated to management or a committee of the Board of Directors remains with the Board of Directors.

The Chief Executive Officer reviews corporate objectives with the Board of Directors on a quarterly and *ad hoc* basis and serves on Special Committees created by the Board from time to time. In this manner, the Board of Directors approves or develops the corporate objectives which the Chief Executive Officer is responsible for meeting.

Orientation and Continuing Education

The Board of Directors and the Chief Executive Officer of the Company are responsible for ensuring that new directors are provided with an orientation and education program which includes written information about the business and operations of the Company, documents from recent Board of Directors meetings, and opportunities for meetings and discussion with senior management and other directors. New directors are also given the opportunity to meet with the legal counsel to the Company to better understand their legal obligations as directors.

In addition, management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Company as a whole. The Company continually reviews the latest securities rules and policies. Any changes or new requirements are then brought to the attention of the Company's directors either by way of director or committee meetings or circulated in a memorandum.

Ethical Business Conduct

The Company has adopted a written *Code of Business Conduct & Ethics* and a *Global Anti-Corruption Policy* for its directors, officers and employees. The full text of these standards is available free of charge to any person upon request to the Company at: 180 Bloor Street West, Suite 1000, Toronto, Ontario, M5S 1X9; by telephone at 416-205-9984 or 1-888-505-RIWI (7494); or on the Company's website at <https://riwi.com/investor-faq/>.

Nomination of Directors

In order to identify new candidates for nomination to the Board of Directors, the Board of Directors of the Company as a whole on an *ad hoc* basis: (i) reviews and determines the appropriate size of the Board of Directors, the necessary competencies and skills of the Board of Directors as a whole and the competencies and skills of each director individually; and (ii) identifies and makes recommendations as to each individual qualified to become a new member of the Board of Directors. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required and a willingness to serve.

Diversity in Officer Positions and on the Board of Directors and Director Term Limits

The Company aims to attract the highest quality candidates, extending opportunities to all candidates, without distinction as to gender, race, colour, religion, sexual orientation, family or marital status, political belief, age, national or ethnic origin, citizenship, disability, or any other basis and will strive for diversity of experience, perspective and education. The Company focuses on the best quality individuals for the position and encourages diverse representation in officer positions and on the Board of Directors. At the current time, the Company has not adopted a diversity policy, but will continue to assess the need to adopt such a policy.

Under the *Canadian Business Corporations Act*, the Company is required to provide diversity information about its officers and directors, including the number and percentage of members of "designated groups," as defined under section 3 of the *Employment Equity Act (Canada)*, namely: (a) women; (b) aboriginal peoples; (c) persons with disabilities, and (d) members of visible minority groups.

The Company currently has six officers and eight directors. Of the Company's six officers, one is a woman and two are members of visible minority groups. Of the Company's eight directors, one is a woman.

The Company has not instituted director term limits. The Company believes that in taking into account the nature and size of the Board and the Company, it is more important to have relevant experience than to impose set time limits on a director's tenure, which may create vacancies at a time when a suitable candidate cannot be identified and as such would not be in the best interests of the Company. In lieu of imposing term limits, the Company regularly monitors director performance and regularly encourages sharing and new perspectives through regularly scheduled Board meetings, meetings with only independent directors in attendance, as well as through continuing education initiatives. On a regular basis, the Company analyzes the skills and experience necessary for the Board and evaluates the need for director changes to ensure that the Company has highly knowledgeable and motivated Board members, while ensuring that new perspectives are available to the Board.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In assessing the compensation of its executive officers, the Company does not have in place any formal objectives, criteria or analysis. Compensation payable is currently determined by the Board, with the CEO reporting to the Board on the rationale for said compensation, taking into consideration, among other things, industry standards and the Company's financial situation.

As of the date of this Information Circular, the Company's directors have not established any benchmark or performance goals to be achieved or met by the Named Executive Officers ("NEOs"), however, such NEOs are expected to carry out their duties in an effective and efficient manner so as to advance the business objectives of the Company. The satisfactory discharge of such duties is subject to ongoing monitoring by the Company's directors.

Payments for consulting services are made from time to time to individuals or the companies they control. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length services providers.

No risks arising from the Company's compensation policies and practices have been identified that are reasonably likely to have a material adverse effect on the Company. No NEOs or directors are permitted to purchase financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a NEO or director.

Objectives of the Compensation Program

The objectives of the Company's compensation programs are as follows: to attract and retain talented, high-achieving executives that have a demonstrated track record of achieving results which are critical to the success of the Company and the creation and protection of long-term shareholder value, and to align the interests of such executives with those of the shareholders to achieve goals consistent with the Company's business strategy which help create long-term shareholder value.

Elements of Compensation

Given the size of the Company's operations and the number of employees, the Company's compensation practices must be flexible, entrepreneurial and geared to the objectives of securing the best executives to manage the Company. During the year ended December 31, 2019, there were four key elements used to compensate the NEOs, consisting of: (a) base salary, (b) sales target bonus for certain NEOs, (c) discretionary cash bonus, and (d) long-term incentives in the form of stock options. There has been competition for executives who have the necessary skills to achieve specified corporate objectives and deliver long-term shareholder value. The Company believes that providing competitive overall compensation enables the Company to attract and retain qualified executives. A competitive fixed base salary, sales target bonus and discretionary cash bonus are used for this purpose. In addition, grants of long-term incentives in the form of time-vested stock options serve to further encourage the retention of the Company's NEOs while incenting the NEOs to create and protect shareholder value.

Stock Option Plan

The Company has one stock option plan approved by the shareholders of the Company on May 15, 2019.

The Plan has been established to recognize contributions made by eligible service providers to the Company including directors, employees and consultants, by creating an incentive for their continuing to provide services to the Company and to attract and retain qualified professionals with the Company.

Any grant of Options under the Plan is within the discretion of the Board of Directors, subject to the condition that the maximum number of Shares which may be issuable under the Plan cannot exceed 20% of the number of Shares of the Company issued and outstanding from time to time. Options will vest at the discretion of the Board as determined on the date on which an option is granted. The Plan has a “rolling” limit, as the number of Shares reserved for issuance pursuant to the grant of Options will increase as the Company’s issued and outstanding share capital increases.

The term of any Options granted under the Plan will be fixed by the Board of Directors at the time such options are granted, provided that options will not be permitted to exceed a term of ten years. Upon expiry of an Option, or in the event an Option is otherwise terminated for any reason, without having been exercised in full, the number of Shares in respect of the expired or terminated option will again be available for the purposes of the Plan. The exercise price of any options granted under the Plan will be the Market Price (as defined in the Plan), but will in no event be less than the greater of the closing price of the Shares either at the date of grant of the option or the day immediately prior to the date of grant. The Plan also provides for reclassification of Options in the event of any consolidation, subdivision, conversion or exchange of the Shares. For Options granted to employees, consultants or management company employees, the Company represents that the optionee is a bona fide employee, consultant or management company employee, as the case may be. If the optionee ceases to be a director of the Company or ceases to be employed by the Company (other than by reason of death), as the case may be, then the option granted expires on no later than the 30th day following the date that the optionee ceases to be a director or ceases to be employed by the Company, subject to the terms and conditions set out in the Plan. In the case of an optionee’s death, the optionee’s heirs or administrators may exercise any portion of the outstanding options for up to one year from the optionee’s death.

Under the terms of the Plan, the maximum number of Shares which may be granted as at March 25, 2020 is 3,586,885, representing approximately 20% of the 17,934,428 issued and outstanding Shares. The Company has issued a total of 1,512,500 Options, representing 42.2% of the maximum number of Shares which may be granted.

Compensation Governance

For the financial year ended December 31, 2019, management had direct involvement in and knowledge of the business goals, strategies, experiences and performance of the Company. As a result, management played an important role in the compensation decision-making process. In addition to taking into account management’s general advice when making compensation decisions, the Board may also request and consider the CEO’s self-assessment of his own individual performance objectives and/or results achieved.

The Company’s HRCC reviews and provides recommendations to the Board regarding executive compensation, succession plans for executive officers, and the Company’s overall compensation and benefits policies, plans and programs. The Board approves all compensation decisions, provided that directors who are also officers are exempt from participating in such compensation discussions that relate to their own compensation.

At no time since the Company’s most recently completed financial year has the Company retained a compensation consultant or advisor to assist the Board in determining compensation for any of the Company’s directors or executive officers.

All stock options to purchase common shares in the Company held by Mr. Seeman, Mr. Im, Mr. Ing and Mr. Meerkamper will vest immediately upon a Change of Control Transaction pursuant to the provisions of the Company's Plan.

GRANT OF OPTIONS

- 3.1 Option Terms. The Board may from time to time authorize the issue of Options to directors, officers and Service Providers of the Company and any of its subsidiaries. The Option Price for each Option shall be determined by the Board and will be set out in the Option Agreement issued in respect of the Option, but will in no event be less than the Market Price. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years from the Grant Date. Any Options which are terminated or expire will be available for re-granting under the Plan. Options shall be non-assignable and non-transferable, and subject to such vesting provisions as the Board in their sole discretion shall determine. For Options granted to employees, Consultants or Management Company Employees, the Company represents that the respective Optionee is a *bona fide* employee, Consultant or Management Company Employee, as applicable.
- 3.2 Black-Out Period. Notwithstanding section 3.1 of the Plan and except where not permitted by the Exchange, where an Option expires during a Black-Out Period or during the Black-Out Expiration Term, the term of such Option will be extended to the end of the applicable Black-Out Expiration Term.
- 3.3 Limits on Shares Issuable on Exercise of Options. The maximum number of Shares that may be issuable pursuant to Options granted under the Plan shall be 20% of the number of Shares issued and outstanding from time to time, or such additional amount as may be approved by the Company.
- 3.4 Option Agreements. Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

- 3.5 Vesting. Options will vest at the discretion of the Board as determined on the Grant Date as set out in the Option Agreement.

EXERCISE OF OPTION

- 4.1 Manner of Exercise - Cash Exercise for Vested Options. Subject to the vesting and other terms of this Plan and the Option Agreement governing any specific Options, an Option may be exercisable by the Optionee delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon the Company's receipt of such notice and payment there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque is not honoured upon presentation in which case:

- a) the Option shall not have been validly exercised; and
- b) the Option shall no longer be exercisable unless the Board determines otherwise.

- 4.2 Manner of Exercise – Cashless Exercise for Vested Options. If a holder of an Option so desires, such holder may, in lieu of the method described in section 4.1 above and by delivering to the Company a notice that the Optionee wishes to rely on the "cashless exercise" provisions of this section 4.2 and a fully completed Notice of Cashless Exercise, subject to the vesting and other terms of this Plan and the Option Agreement governing any specific Options, elect to dispose of an Option in exchange for a Substituted Right, which Substituted Right shall be deemed to have been exercised immediately by the Notice of Cashless Exercise.

The number of Shares issuable to the Optionee upon exercise of the Substituted Right will be determined in accordance with the following formula, provided that no fractional Shares will be issued pursuant to any Substituted Right and the number of Shares issuable shall be rounded down to the nearest whole Share:

$$\frac{A * (X - Y)}{X}$$

Where:

A is the number of vested Options tendered for disposition pursuant to the Notice of Cashless Exercise

X is the volume weighted average price per Share on the Exchange on the five trading days prior to Notice of Cashless Exercise

Y is the Option Price of the unexercised vested Options in question

In the event that an Optionee delivers a Notice of Cashless Exercise under this section 4.2 and it is later determined that such Optionee does not hold a sufficient number of unexercised vested Options to deliver the Substituted Right in accordance with the requirements above, such notice shall be deemed to be void in its entirety and of no further force or effect. Upon the issuance of Shares by the Company pursuant to the deemed exercise of the Substituted Right, the number of unexercised vested Options to be disposed of in exchange for the Substituted Right shall be deemed to be cancelled without any further action by the Company or the Optionee and will be not available for further granting.

- 4.3 General Rule. Subject to section 4.4 of this Plan, an Option may be exercised to purchase any number of Shares up to the number of Unissued Option Shares at any time after the Grant Date up to 5:00 p.m. (Vancouver time) on the Expiry Date.

4.4 Termination of Affiliation. If an Optionee ceases to be a director, officer or Service Provider of the Company or its subsidiaries, each Option held by the Optionee shall be exercisable in respect of that number of Option Shares that have vested pursuant to the terms of the Option Agreement governing such Option as follows:

- (a) Resignation or Ceasing to Hold Office. If the Optionee or, in the case of an Option granted to any Optionee who satisfies the definition of Service Provider set out in section 2 of this Plan, the Optionee's employer, ceases to be employed or engaged by the Company and any of its subsidiaries (including by way of voluntary resignation or retirement as a director, officer or Service Provider), each Option held by the Optionee shall be exercisable in respect of that number of Option Shares that have vested pursuant to the terms of the Option Agreement governing such Option at any time up to but not after the earlier of the Expiry Date of that Option and the date which is 30 days after the Optionee ceases to be a director, officer or Service Provider, provided that the Board will have the discretion, for greater certainty not the obligation, to extend the period when the Optionee may exercise that Option to a date that is not later than the date which is one year after the Optionee ceases to be a director, officer or Service Provider;
- (b) Death. Notwithstanding subsection 4.4(a) of this Plan, if the Optionee ceases to be a director, officer or Service Provider of the Company and any of its subsidiaries due to death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, each Option held by the Optionee shall be exercisable in respect of that number of Option Shares that have vested pursuant to the terms of the Option Agreement governing such Option at any time up to but not after the earlier of the Expiry Date of that Option and the date which is 12 months after the date of death or Disability; and
- (c) For Cause. Notwithstanding subsection 4.4(a) of this Plan, if the Optionee or, in the case of an Option granted to an Optionee who satisfies the definition of Service Provider set out in section 2 of this Plan, the Optionee's employer:
 - (i) ceases to be employed or engaged by the Company and any of its subsidiaries for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee or Optionee's employer is employed or engaged;
 - (ii) ceases to be a director, officer or Service Provider of the Company and any of its subsidiaries by order of any securities commission, recognized stock exchange, or any regulatory body having jurisdiction to so order; or
 - (iii) ceases to be eligible to hold office as a director of the Company and any of its subsidiaries under the provisions of the applicable corporate statute,

each Option held by the Optionee shall be exercisable in respect of that number of Option Shares that have vested pursuant to the terms of the Option Agreement governing such Option at any time up to but not after the earlier of the Expiry Date of that Option and the date on which the Optionee ceases to be a director, officer or Service Provider.

4.5 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement. If the Optionee, or, in the case of an Option granted to an Optionee who falls under the definition of Service Provider set out in section 2 of this Plan, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company and any of its subsidiaries, the loss of the right to purchase Shares pursuant to section 4.4 of this Plan shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatever in respect of such Optionee.

- 4.6 Amendment of Options by the Board. Pursuant to the rules of the Canadian Securities Exchange, the terms of an Option may not be amended once issued. If an Option is cancelled prior to its Expiry Date, the Company shall not grant new Options to the same person until thirty days have elapsed from the date of cancellation.
- 4.7 Accelerated Vesting and Termination. The Company may, subject to prior written approval from the Exchange, if required, during the term of any Option, give 30 days, or such other number of days as the Board may determine, notice in writing to all of the Optionees that all Options outstanding under the Plan that have not vested as at the time of the notice are immediately deemed vested, and all Options outstanding under the Plan that have not been exercised shall cease and terminate and be of no further force and effect unless the Optionees exercise such Options before their termination on the 30th day, or such other day as the Board may determine, after delivery of the notice.

AMENDMENT PROCEDURE

- 5.1 The Company retains the right to amend or terminate the terms and conditions of the Plan as the Board may determine from time to time in accordance with all applicable regulatory rules.

ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

- 6.1 Share Reorganization. Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a “Share Reorganization”) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
- (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

- 6.2 Special Distribution. Subject to the prior approval of the Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a “Special Distribution”), and effective

immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Shares as a result of such Special Distribution.

6.3 Corporate Organization. Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 6.1 or 6.2 of this Plan;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a "Corporate Reorganization") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares.

6.4 No Fractional Shares. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of a Share Reorganization or Corporate Reorganization, an Optionee would become entitled to a fractional Share, such Optionee shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made with the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Option unless such amount of Shares represents the balance left to be exercised under the Option.

SIGNIFICANT EVENTS AFFECTING THE COMPANY

7.1 Change of Control Transactions

In the event of a Change of Control Transaction, the following rules shall apply:

- (a) all vested Options held by an Optionee as of the completion date of the Change of Control Transaction will be exercisable by the Optionee in accordance with the terms of the applicable Option Agreement;
- (b) the vesting provisions governing unvested Options held by an Optionee as of the completion date of the Change of Control Transaction shall be accelerated, and such Options will be exercisable by the Optionee immediately prior to the completion date of the Change of Control Transaction. Option Shares issuable pursuant to the accelerated vesting provisions of this section 7.1(b) will be issued immediately prior to the closing of the Change of Control Transaction; and
- (c) all other unexercised Options shall become null and void upon completion of the Change of Control Transaction.

MISCELLANEOUS

- 8.1 Form of Notice. A notice given to the Company shall be in writing, signed by the Optionee and delivered to the Secretary of the Company.
- 8.2 Right to Employment. Neither this Plan nor any of the provisions hereof shall affect in any way the Optionee's right to continued employment with the Company or its subsidiaries or the Company's right to terminate such employment.
- 8.3 No Assignment or Transfer. No Optionee may assign or transfer any of his rights under the Plan or any Option Agreement.
- 8.4 Conflict. In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.
- 8.5 Time of Essence. Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.
- 8.6 Entire Agreement. This Plan and each Option Agreement sets out the entire agreement between the Company and each of the Optionees relative to an Option and supersedes all prior agreements, undertakings and understandings, whether oral or written.
